

CREATIVE OPENINGS IN FABRIC

Facilitated by Therese May

Please join the fun of opening a new door into your creativity simply by cutting with a scissors and ironing with an iron! Don't worry about getting it right! Just let go and be free with color and shapes on fabric. Therese will demonstrate cutting and ironing techniques as well as explain materials so you can create a 20x20 fabric collage.

Supplies:

Please bring an assortment of fat quarters to choose from for your background
1 yard of "Wonder Under" (lightweight)

Scissors

A palette of fabric colors with Wonder Under already ironed onto the back side of the fabric. Choose darks, lights, greys, brights, subtles, prints, solids. We'll talk about color choices during the class. We'll be doing some layering so bring transparent and metallic fabrics also.

Tulip squeeze bottle Paint, white and one other color (available at Michael's or online)
